Third consecutive year of recognition for Celenus rehabilitation clinics, brand of the ORPEA group in Germany

For the third consecutive year, 9 rehabilitation clinics of the ORPEA Group in Germany, operating under the Celenus brand, have been rewarded by the magazine FOCUS-Gesundheit and are listed in the "TOP Rehabilitation Clinic" list in Germany.

The study compares almost 1,500 facilities throughout Germany. Among the elements analyzed are the clinic's reputation among patients and physicians, the medical offer, equipment, hygiene and patient safety. In order to stand out positively from the others, a clinic must achieve above-average results in at least two areas.

The 18 clinics of the Celenus network spread throughout Germany are specialized in different areas of medical rehabilitation: from psychosomatic and psychiatric rehabilitation to neurological, orthopedic, cardiological and oncological rehabilitation as well as rehabilitation treatment of pain, metabolic disorders and residential treatment for parents and their children.

Since 2016, FOCUS-Gesundheit magazine has been rewarding the best rehabilitation clinics in Germany. In 2020, a total of 439 hospitals will be listed in the list.
