Puteaux, February 1, 2022 (12:45 pm)

Orpea's Board of Directors has appointed Grant Thornton and Alvarez & Marsal to conduct the review and audit assignments previously announced following the publication of Mr Castanets book.

These two world-renowned firms have complementary skills and will be responsible for carrying out an independent examination of the allegations published in the book.

The appointed firms will be granted access to all the information they deem necessary from Orpea and its subsidiaries. They will present their findings to the Board of Directors as early as possible. These conclusions will also be available to the relevant authorities and will be the subject of a specific communication.

Orpea is committed to continue to work closely with the public authorities and to respond to all of their requests.
