

2022

Key Figures

The ORPEA Group's mission is to provide medical and human care to persons in a state of high vulnerability. The Group's activities include medical and rehabilitation hospitals, mental health clinics, nursing homes, assisted living facilities and even homecare services, with a focus on hospitality and caring. The company's 76,000 employees are dedicated to the care and life projects of the people welcomed as patients or residents each year in our nearly 1,000 facilities around the world. The Group's mission reflects the same attention to our residents and patients' loved ones and their social relationships.
